

FLEA MARKET INFORMATION

Bring your gently used, unwanted gaming items to be sold in our Flea Market on Friday and Saturday. There is no charge to put your items into the Flea Market, but PentaCon retains a 15% commission on all items that are sold. Check in for materials starts at 8 AM on Friday and Saturday at the Flea Market, which is located in the corner of the main hall. There will be a \$2 fee if we place the pricing on your items. Of course, you can handle that yourself at no cost! Payouts and return of unsold items will be on Sunday from 10-6, unless special arrangements are made at the time of item submission. All unclaimed items become the property of PentaCon. The Flea Market selling hours are 10-10 on Friday and 8-10 on Saturday.

Use the form on the next page to list your items. Please try to enter a distinctive description for each item to avoid any confusion. Bring your items and completed form(s) to the Flea Market location on Friday or Saturday to check in your items.

If you are pre-pricing your items, PLEASE use the following information! You will be assigned a seller identification letter when you turn in your items at the convention, or request one ahead of the con by e-mailing us and asking for it. All tags on your items should include your seller id, followed by a dash, followed by the line number of the item from the following form. If you don't have a seller id ahead of time, leave enough blank space on the tag to write it in at check-in. UNDER this information you should clearly write the price. PLEASE write legibly! If we can't read it, or potential buyers can't read it, problems will arise...

If you have more than the 25 items that will fit on a single page, that is fine, use multiple pages. HOWEVER, you should add a digit in front of the item numbers on the extra pages. So items would be numbered 01-25, 101-125, 201-225, etc.
